

MONDAY

 Washington Irving's 225th Birth Anniversary
 American author, attorney and one-time US Minister to Spain, Irving was the author of many tales set in upstate New York in the 19th century, such as "The Legend of Sleepy Hollow," which would be considered the first American ghost story, and "Rip Van Winkle." He was born on April 3, 1783, in New York, New York.

Happy 2,761st Birthday, Rome!
 It is traditionally thought that Rome was founded on April 21, 753 B.C. Nobody really knows who founded Rome, but there is a legend about two brothers, Romulus and Remus, who had a quarrel over some land that was not yet populated. Romulus killed Remus, made a town, and called it Rome.
